Dear Mr Wilde,

Annual internal audit

I have completed my independent internal audit of the parish council's activities for the year to 31 March 2018. My review was conducted *independently of the Parish Council after an assessment of the procedures, controls and associated risks I would have expected to observe in a small parish council.*

I consider the activities of the council to be properly controlled. Two minor issues arose during the year, details are attached.

If you have any questions regarding these exceptions or this review in general please do not hesitate to contact me.

Yours sincerely

Roger Brisley
