

Final External Auditor Report and Certificate 2016/17 in respect of Potto Parish Council NY0451

Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report 2016/17

On 9 October 2017, we issued a report detailing the results of our limited assurance review of this authority's annual return for the year ended 31 March 2017. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review. The external auditor report given in Section 3 of the annual return requires amendments as follows:

Except for the matters reported below, on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met.

A local government elector made a series of objections relating to the Council's accounts for the years ended 31 March 2017, 2018, 2019 and 2020. We decided to consider some, but not all, of those objections. Having considered those accepted objections, we decided to issue a Public Interest Report so that the matters and the 17 recommendations we made in respect of them may be considered by the Council and brought to the attention of the public. We decided to issue a Public Interest Report because of the significance of our findings taken together. The authority will receive an invoice in relation to this additional work.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

None

External auditor certificate 2016/17

We certify that we have completed our review of the annual return and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2017.
