Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor report 2020/21

On 26 September 2021, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2021. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

1. A local government elector made a series of objections relating to the Council's accounts for the years ended 31 March 2017, 2018, 2019 and 2020. We decided to consider some, but not all, of those objections. Having considered those accepted objections, we decided to issue a Public Interest Report so that the matters and the 17 recommendations we made in respect of them may be considered by the Council and brought to the attention of the public. We decided to issue a Public Interest Report because of the significance of our findings taken together. The same local government elector also made a series of objections relating to the Council's accounts for the year ended 31 March 2021; these were also considered and determined before completing our work on the AGAR. The authority will receive an invoice in relation to this additional work.
2. The AGAR has not been signed in accordance with the Accounts and Audit Regulations 2015 as Section 2 was not signed by the Responsible Finance Officer.

Other matters not affecting our opinion which we draw to the attention of the authority:

1. We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2021/22 for the exercise of public rights, since the period for the exercise of public rights was less than 30 consecutive working days in length and period for the exercise of public rights did not include the first 10 working days of July. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2021/22 and ensure that it makes proper provision for the exercise of public rights during 2022/23.
2. The smaller authority has confirmed that it has not complied with the governance assertion in Section 1, Box 7, but it has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified.
3. The smaller authority has not provided an explanation for the variances between the prior and current year values in Boxes 3 and 6 of Section 2 or an explanation of the reserves levels as requested.

External auditor certificate 2020/21

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.
