Potto Christmas Tree

A big “Thank You” goes out once again to Ann Preston of Preston's of Potto for kindly providing the Christmas Tree to the village.

I am sure that you will agree the tree sets the festive mood of the village at this time of year.

We would like to thank Amy for organising the tree once again.

Design Statement

Following on from the actions proposed as part of the 2019– 2029 Potto Village a team is being established to prepare a Potto Village Design Statement. If you would like to get involved in this community activity, please contact any member of the Parish Council.

Potto On the Menu

This sign was recently spotted on the streets of London, advertising a new dish for this Asian chain of food outlets. It would appear that we now have a traditional dish named after our Parish !!

Stell Inspection

In November we undertook the Bi Annual inspection of the Potto Stell system. The stell network is a combination of open and culverted waterways that directs the water from field drains through the residential areas of Potto and finally drains into Potto Beck. This ensures that the low-lying areas of Potto are adequately drained behind the flood barrier.

Thanks to Ian, Steve, Colin and Andy for turning out on a very wet day to carry out the inspection.
